MEMORANDUM FOR: Chief, Support Services Staff

SUBJECT : Agency Report to the Information Handling
Committee

REFERENCE : Memo dtd 12 June 68 to OL/PS fr C/SSS, same
subject

Following is an updated report prepared by Printing Services Division, OL, regarding the current status of the EPIC program and submitted in reply to the request contained in paragraph 2 of the reference:

The EPIC Photocomposing System operated by the Printing Services Division has been improved and broadened during FY 1968, during which time production of the National Intelligence Survey (NIS) has increased from about 7 percent to 36 percent of the total NIS production. Approximately 70 percent of all NIS requirements are now submitted on tapes prepared by the customer agencies. In addition, Agency supply catalogs are now being printed through the EPIC System, and plans are under study to produce other repetitive types of printing jobs under the system.
